The rules
really
haven’t changed
Basically:

to purchase, possess or use controlled substances, you will need

an OSBP license

AND

a DEA license
Basically:

to purchase, possess or use prescription drugs, you will need

an OSBP license
Exceptions:

Certain situations allow an MD to use a DEA Practitioner’s License and an Ohio Medical Board License.
Rules:

PhD’s don’t possess a DEA Practitioner’s License or Medical Board License.

All prescription pharmaceuticals require an OSBP license.

A DEA license is also required for controlled substances.
