

## Faculty Startup Funds Progress Report

Name: \_\_\_\_\_

Unit: \_\_\_\_\_

College: \_\_\_\_\_

Hiring Date: \_\_\_\_\_

Reporting Period: \_\_\_\_\_

Scholarly Works created *during the reporting period only* (list in reverse chronological order)

External support requests *during the reporting period only* which must include 1) Title of request; 2) Names of PI and any co-PI/co-I identifying those from outside of UC by organization name; 3) Funding agency; 4) period and amount of support requested/funded; and 5) status of external support request (e.g., submitted/awarded/declined)

Provide a brief (<1 page) description of the research, scholarly or creative activities conducted *during the reporting period only* that were supported by institutional startup funds. Please identify any barriers to research success that the VP for Research should be made aware of as well as any institutional (OoR or otherwise) initiatives that have supported you in your research activities.
